Gc name • Platform Icon

DATE

etc...

One date nests multiple group chats

Platform icons / Group Chats can be filtered By Pressing on Gc name or App icon

When draging on the timeline, it fast skips & has increments that it stops on, like When Scrolling thurogh Photos

When images are Pressed

It would bring up a Automatic Collage that scrolls horizontally. Should have Image cap, maybe 10

Events Page

Page where money owed to people, events talked about & thing to remember get saved.

Money owed >

"10 for food at..."	"80 for Bun Concert..."	"35 for gas money"	"10 uber @ cstct
